Southern Rock Society Band

The genuine Southern Rockers who play Southern Rock music, as well as, promote other bands and Southern Rock events. Currently, a few original songs are in process, and many cover tunes are played with heart and soul.

Songs from Lynyrd Skynyrd, Molly Hatchet, Blackfoot, The Outlaws, Marshall Tucker Band, .38 Special, Johnny Van Zant Band, Allman Brothers, Charlie Daniels and ZZ Top. We hope that the songs are some of your favorites and that you have fun with us at the shows as we party and promote Southern Rock music.

Easy going, yet rockin'

The Southern Rock Society Band is a group of four dedicated musicians that have been devoted, enthusiastically, to playing and promoting Southern Rock music. From helping other bands to supporting Southern Rock events as the Southern Rock Society, these gentlemen have been in and around the Southern Rock scene (though mostly behind the scene) for most of their musical careers. Over the years, the band has had a few other members, all of which are still appreciated, and found occasionally jammin' with the band at special parties and events.
